

PLAY HARD. PROTECT HARDER.

# DDS Lab Custom Fierce Mouthguards™

Give your patients the protection, comfort, and confidence they deserve with DDS Lab's Fierce Mouthguards™ — available in six protection levels to match every athlete's sport and intensity.

**DDS LAB**

Design. Deliver. Support.

PLAY HARD. PROTECT HARDER.

## Did You Know?

According to the National Youth Sports Safety Foundation, this year more than 3 million teeth will be knocked out in youth sporting events in the United States.

### KEY FEATURES:

- ✓ **Custom Fit:** Personalized to provide maximum comfort and effectiveness
- ✓ **Durable Materials:** Crafted from resilient, high-quality materials to withstand impact
- ✓ **Versatile Use:** Ideal for sports, nighttime grinding, and dental procedures
- ✓ **Expert Design:** Developed with precision to offer optimal protection and comfort

**Fierce Mouthguards™** come in various levels depending upon what sport is being played and the necessary level of protection required.

- |                 |  |
|-----------------|--|
| <b>Level 1</b>  | 3mm with one layer, designed specifically for children with mixed dentition.   |
| <b>Level 2*</b> | 3mm with two layers, perfect for wrestling, volleyball, mountain biking and motocross.   |
| <b>Level 3</b>  | 3.5mm with two soft and one hard layer, specially designed to provide maximum comfort and protection for all sports.                           |
| <b>Level 4*</b> | 5mm with two layers, ideal for soccer, rugby, basketball, softball, rollerblading and skateboarding.   |
| <b>Level 5</b>  | 5mm with two layers and special power bands, designed for baseball, football, racquetball, martial arts and boxing.                            |
| <b>Level 6</b>  | 5mm with two soft and one hard layer, custom fabricated for ice, field and street hockey along with kickboxing and other heavy contact sports. |

\*Level 2 and Level 4 Fierce Mouthguards can be fully customized with team logos, player names and jersey numbers.

# How To Order:

1. Submit a Rx through your intraoral scanner or the My DDS Lab Portal.
2. Note if you are ordering a Level 1-6 guard in the Rx notes
3. Note if patient has mixed dentition
4. Choose your colors from our custom chart to match team colors or patient preferences
5. If ordering a Level 2 or Level 4 choose to add personalization – player name, number, or logo. See chart for how to describe placement of customization elements\*\*

## Buccal (Labial) Surface - External / Visible (Front of the Mouthguard)
